Re: Advisory Circular Mailing List

Dear Sir:

The General Aviation Airport Coalition (GAAC) requests to be added to the mailing list of recognized industry organizations that can provide comments to Draft Advisory Circulars (A/C).

As the voice of GA airports at the federal level, we are well-positioned to disseminate draft A/Cs to airport managers around the country to provide a GA perspective to policy decisions being made by the Federal Aviation Administration.

GAAC's primary point of contact is Jennifer Imo at 1130 Connecticut Avenue, NW, Suite 300, Washington, DC 20036. Her telephone number is 202.454.3947 and email is jennifer.imo@gaairportcoalition.org.

Thank you for your willingness to add our organization to the A/C mailing list. Please let me know if you need additional information.

Respectfully,

Richard Lewis
Chairman
General Aviation Airport Coalition
1130 Connecticut Avenue, NW
Suite 300
Washington, DC 20036
