

Action Items for 2012 - 2013

- Continue fight against **user fees**.
- Work with FAA on the **ASSET** program that categorized all but 500 GA airports; help tweak criteria to ensure all categorizations are correct.
- Monitor impact of **sequestration** on general aviation.
- Oppose **unfunded mandates**, such as costly Safety Management System requirements.
- Work with FAA on **based aircraft** definition and reporting requirements.
- Work with FAA to avoid **one-size-fits-all** policies for GA airports.
- Work with FAA to promote **bird strike reporting**.
- Work with GA airports to reduce **runway incursions**.
- Work with leaders of the **GA Congressional Caucus** and other Members of Congress on legislative issues related to GA airports.
- Promote GAAC's priorities in the next **FAA Reauthorization**.
- Monitor TSA's movement on the **Large Aircraft Security Program**.
- Monitor EPA's move toward **unleaded aviation fuel**.
- Continue sharing **best practices** among members on our blog and online library.
- Continue monthly **webinars** and federal and local committee **conference calls**.
- Continue to provide **real-time updates** on legislative and policy issues of importance to GA airports.
